connecting tomorrow

## Amphenol Automotive complies with the ELV- Directive

Dear customer,

hereby we confirm that all connectors developed, produced and delivered by Amphenol Tuchel Electronics GmbH for automotive applications after June 1<sup>st</sup>, 2004 are in compliance with the European directives **2000/53/EC** and **2003/11/EC**.

For some harness components defined by our customers we are currently verifying their compliance with these directives with our suppliers.

The application of our products according to the EC directives remains the sole responsibility of our customers.

If you have any more questions on this issue, please feel free to contact our Customer Service:
